

ENGLISH SHADOWING ACTIVITY|100 QUESTIONS AND THEIR ANSWERS FOR SHADOWING|LISTENING&SPEAKING ACTIVITY

Subtitle

[Music]

Welcome back, friends. You're listening to Simply Explained English. I'm Jack.

Hi, everyone. I'm Sarah. Today, we have a very special and different kind of

episode for you. That's right. We are not going to listen

to a story or a dialogue. Today is all about practice, practice, practice. We

are going to do a long shadowing session. A hundred questions and answers

about daily activities. It's a fantastic way to improve your fluency. Here's how

it will work. One of us will ask a question and the other will give a

natural answer. After the question, there will be a short pause for you to

repeat it. After the answer, there will be another short pause for you to repeat

that. The goal is to copy our pronunciation,

rhythm, and intonation exactly. Don't just read the words. Try to sound like

us. Are you ready to begin? Great. Let's start with the first

section. Morning routine. [Music]

What time do you usually wake up? I usually wake up around 700 a.m. on
